

ENRICHMENTS

We offer a wide range of lunchtime enrichments to ensure there is something for all our students to enjoy. We encourage students to get involved and take part in at least two activities a week.

The majority of clubs run from 12.20pm to 12.40pm. Those with an * run from 12.40pm to 1.00pm. To take part students just need to go along.

After-school clubs are also available and the Library is open every day until 4.00pm for homework or reading.
